# **Kaleidoscope International Festival-Competition, Israel**

**30 March – 02 April 2020**

The festival aims to support gifted children and strengthen the friendly ties; to expand the creative globally; to attract the attention of composers and producers, and to enhance cooperation with governmental and non-governmental organizations in the field of public diplomacy around the world.

The Festival enjoys the support of Government of Israel as well as public organizations. Selected participants are between 5-18 years old; between 2014 and 2019 the festival brought together more than 600 participants predominantly from Europe and America

The event will be broadcasted in state TV of Israel, Children's press-centre (mass media centre) will also operate at the festival. Interviews, press conferences, photo reports, press releases will cover all the activities of the festival in the mass media as well as online.

---

**Students and affiliates of Madison Academy of Music Singapore have received an exclusive invitation to participate at the festival, being first music school in Asia that received such invitation**

# Israel Music Conservatory

An inspiring home for good music. A home for students and teachers musicians and musicologists, composers and conductors, orchestras and ensembles, choirs and soloists. A place to touch and be touched by good music

Founded in 1945, Israel Conservatory of Music has been well known and appreciated both in Israel and all over the world as a leading school of music. Many of its alumnae are leading the music industry worldwide. Under the auspices of Ministry of Education, it aims at providing comprehensive musical education whereas each student is given a personalized program tailored to his/her capabilities and pace – [www.icm.org.il](http://www.icm.org.il)
